

Newsletter:

Sunday 22nd March 2020

A special welcome if you are worshipping with us for the first time.

WORSHIP TODAY

SCRIPTURE – 1 Corinthians 11 ; 2 - 16

THEME – Cultural Evangelism

In this time when we can't do church as we think we should, it's good to see how problems were dealt with in the New Testament church. Today we look at the difference between scriptural principles we should hold on to, and how we might apply them in our specific context.

Chapel Life and the Coronavirus

We at Wrington Chapel have responded to the current crisis by ceasing all public gatherings. However, that doesn't mean we cease being a church. Church is the people not the building, and we are working hard to find ways to continue supporting and encouraging each other.

So please look out for those members of the fellowship and the community that you know. Make contact and see if they are okay - that is one way to continue to be good followers of Jesus. And please share any relevant information.

Our pastoral care group is still the place to share concerns for people that need prayer and perhaps some practical help. Our Elders will continue to ring round and check that all is well.

We are working to provide some material for children to use as a 'home church.'

Our Sunday messages will continue to be placed on the website. We are also working to develop a YouTube link that will guide you through songs and prayers to fit the message. Hopefully that will be operational soon.

This news letter will give you some information, but for more in-depth guidance, go to our website at wringtonchapel.com. If you are unable to access the internet, please let us know and we will still try to provide you with information and some worship material on CD.

As our system develops, we will update you.

Mainly, continue to pray, to trust in our Saviour, and to support each other.

Every blessing, Duncan

Prayer awareness : Tearfund

A Message from Nigel Harris, CEO Tearfund
Dear Friends,
Tearfund is praying for you and all our supporters during this time of great uncertainty. You mean so much to us and we are deeply grateful for your ongoing support. As you would expect, Tearfund is currently assessing how coronavirus is affecting the world's poorest and most vulnerable communities. We are looking carefully at how we can best support our locally based partners and churches to make a meaningful, sustained response to this pandemic. As always, we are spending time in prayer, asking for God's protection and his wisdom to deal with this unprecedented global situation. We would greatly value your prayers in the weeks and months ahead. In these uncertain times, I can assure you that Tearfund's work will continue through our amazing network of courageous, caring Christian partners and churches around the world. I am daring to dream that this could be the opportunity in our generation for the church to be known globally for its brave and compassionate response, putting the needs of others before our own, just as Jesus did. We know this is possible. We are doing all we can to make sure we can continue to follow Jesus where the need is greatest, bringing practical help and powerful hope to the most vulnerable people, just as we have been doing for over 50 years. This is only possible because of the prayers and gifts of people like you. We are praying that you will know that God's presence with you. God Bless you and your loved ones.#.

Communication & support

During this unchartered period, communication is going to be very important to everyone so if anyone would like to pass on a message of encouragement or support then please email me and I can add this to future newsletters. *Richard*

Fairtrade

If anyone wants their usual Fairtrade products just let me know and I'll bring them round by my cycle courier service. Take
