WORSHIP TODAY

SCRIPTURE – Galatians 1 : 1 - 12
THEME – Galatians 1 - Compromise?

Today we begin a series looking at the biblical book of Galatians, and we note St Paul's emphasis that the gospel should never be compromised. He worked hard to show people God's love and grace, through Jesus, and realised that we can do nothing to earn that love and grace. All we can do is trust Jesus and follow him. It's a core truth that we should never supersede.

Next week we will share together in Communion - so be ready.

Prayer awareness : MAF

In the fight against coronavirus, 'lockdown', 'self-isolation' and 'social distancing' have become the global norm in recent weeks. As this unprecedented disease plagues the planet, we explore how Mission Aviation Fellowship's work has been impacted across Africa.

In its 75-year history, MAF has been serving many isolated communities across Africa including South Sudan, DRC, Kenya, Chad, Uganda, Liberia, Tanzania, South Africa, Madagascar and Ethiopia. During this pandemic however, the word 'isolation' takes on new meaning.

As borders close and many MAF partners leave the continent, serving the earth's most far flung people has never been more difficult. As Africa comes to terms with this unknown disease, MAF has been quick to offer its support.

Unsurprisingly, lockdowns across Africa and around the world are currently limiting the number of MAF flights to around 20%. Regardless of the challenges that lie ahead, every MAF staff member and volunteer continues to play their part. Please pray that flights continue so support can reach those in most need.

Clevedon Foodbank

The foodbank have sent us a letter thanking the chapel for its recent donation. They mentioned that people have been very generous and that their younger volunteers are working hard to keep people supplied with food. They are supplementing their food stocks with cash donations that they have received. The food bank is grateful to St Andrew's Church in Clevedon for allowing them to use their hall so that social distancing can be maintained. Thank you everyone for thinking of the food bank at this time.

Minister's Jottings

Duncan's monthly jottings are now on the website - its all about a possible new perspective on praying which is encouraging.

Acclamation

The sunlight has come, the darkness has fled.
The ruler we had is defeated.
Our saviour is here, for, just as he said,
God's gracious work is completed.
So lift high your hearts, and open your lips,
and let your praise rise up anew.
