SCRIPTURE – *Micah 6 : 6 - 8*
THEME – *Justice and Mercy*

Today we look at the biblical instruction to act justly, love mercy, and walk humbly with God. We see how important this is to God. And we consider how difficult this might be - especially to walk humbly. It's a challenge.

Closing Prayer

ABBA: your children are learning the ABC.
ABBA: we start with your name as a first sound, a first thought.
ABBA: It is a hard way - not our way.
For we would start with ME or BEST or VERY IMPORTANT PERSON.
But you say the world is yours, and our dictionary must start with
ABBA - defined as YOU, LOVE, CARE, EQUALITY, FINDING ANOTHER WAY.
And, when we look closely we see your name is where we begin.
ABBA: You turn our alphabet upside down and we ask your help to learn your ABC.
Amen

Prayer awareness : InHope

It goes without saying that 2020 has been a strange year for us all, but amongst the challenges, it is those who are homeless and vulnerable who have suffered the most. We may have all been in the same Covid-19 storm, but we have not all had the same boat in which to stay afloat. The future looks incredibly unclear for those who are homeless or vulnerable, with uncertainty over how long accommodation will be provided for those who sleep rough, questions about what happens if night-shelters are not allowed to open, and the unknown impact of the end of the government's furlough scheme or the ending of the ban on evictions. Please pray for all those who are homeless or at risk of becoming so and organisations like inHope who are there to support them.

Lendwithcare

I came across this organisation recently and thought some of you may be interested in looking at their web site

<https://www.careinternational.org.uk/get-involved/lendwithcare>

Care International, know that sometimes, all people need is a little investment to change their lives particularly in developing countries where access to conventional credit sources is difficult or impossible, especially if you are female. That's why Lendwithcare have set up a revolutionary way to help some of the world's poorest people work their own way out of poverty with dignity. They allow you to lend as little as £15 to fund a small business – and once your money is repaid you can choose to recycle your loan to support another poor entrepreneur, or withdraw your money. Please take a look.
