Mutually Encouraged by each other's faith

Prayer awareness : Romans 1:11 Trust

Our magazine *Mutually Encouraged* should be winging its way to you this week (via Ian). It is a special sponsorship issue and tells of the stories of Ugandans young and old who have been blessed by sponsorship, as well stories of those who sponsor them and the blessings they receive through this giving. If you are interested in sponsoring either a child or a pastor through Romans 1:11 Trust, we ask that you pray about it before contacting Rachel, our administrator using one of the methods here:

r111trust@gmail.com

Rachel Bailey, Administrator, Romans 1:11 Trust, 197 Staplers Road, Newport, Isle of Wight, PO30 2DP Tel. 07432 643050 Alternatively, if you wish to give a gift to the Ugandan schools and orphanages who are struggling with near starvation at the moment, please also get in contact. Please also pray in thanks for those who already sponsor children and pastors, and those who have worked so hard to help our latest Mutually Encouraged become a reality. Charity, who runs Ebenezer Children's Home and Orphanage in Bugoye, has sent some difficult news. She has suffered this month, from the death of her grandmother and her own daughter who was just 3 months old. We invite you to join us in praying for Charity, Geoffrey, and their wider family; that they will know God's love and that He will comfort and bless them in this difficult time.

Finally, we pray a prayer of thanks for the birth and continuing good health of both mum and baby in the Biso household. Steven took the mother in when her family disowned her and shortly after this she had the baby. We thank God for new life and the promise it brings.

Wrington worship

Some of you are joining us on our first attempt to meet together for a short time of worship. Please note that this is not an alternative to the message on the website. It is a chance to approach God together, offer our prayers, and reflect on what God may want to say.

For those who are hoping to come to Church tomorrow for the first service following Covid Guidance

We are having a modified service to comply with the guidance and therefore there will be no singing.

You will need to wear a mask

There will be one way in and one way out

Please observe two metres social distance

There will be a list for contact numbers

Please leave promptly after the service as socialising will be in small garden groups.

Closing prayer

Come. Turn to God this day.

Turn with your eyes open, to see God's glory in the lives around you.

Turn with your hearts open, to let God's Spirit have full rein and flow through you.

Turn with your minds open, to understand that this God truly loves you.

Turn with all your life.

Turn with all your will.

And see God turned to you.

Amen
