Title: **Making Hard Decisions**

Scripture: **Luke 2: 25-35**

Life can be tricky and throws up dilemmas for which we cannot find an obvious answer in the bible. What Do you do?

Today we look at some dilemmas and consider some principals. We also recognise that no one is perfect, and we should not pretend to be.

**Hundreds of thousands of people are starving in Ethiopia – Tearfund responds**  
**Conflict in the Tigray region of Ethiopia is leading to a major hunger crisis. Here's how Tearfund is responding and how you can pray**

According to the UN, more than 350,000 people in Tigray are facing 'famine-like' conditions after continued violence has led to shortages of vital supplies. Across Tigray, almost 4 million people don't have enough food and are in need of humanitarian assistance.

The crisis has escalated after a conflict which began in November 2020. Tearfund is responding to meet the needs of both those who have fled from Tigray and those who have chosen to stay.

Tearfund is helping local churches to meet the needs of people who don't have enough food or safe water. They are also working alongside partner organisations, to help women who've experienced trauma from the conflict by providing emotional and psychological support.

Efforts to bring peace to the region are being stepped up as well. Tearfund is now working with church networks and denominations that represent over 50 million Christians in Ethiopia. The focus is on a peacebuilding initiative called the *Joint Initiative for Strategic Religious Action* (JISRA).

## Tearfund Prayers

For those who are facing starvation in Ethiopia due to the conflict. Pray that humanitarian agencies such as Tearfund can reach people quickly.

For God to bring an end to the crisis in the Tigray region and that people will be able to access the food and support they need.

**For wisdom for all Ethiopia's political leaders that a peaceful political solution can be found.**
