Romans 1:11 Update May 2020

We thank God that, for many children across Uganda, school has started again. School in Uganda means not only an education, but also physical safety for those fortunate enough to attend. Schools in Uganda are now open to most children, and some have begun to sit exams. We thank God this month, particularly for the children of Pastor Simon in Masese, who have done well in their end of year report.

We thank God for all those who sponsor children in Uganda and for the work this allowing the young people to complete. Please pray that we may sponsor more children and give them a good start in life. We also thank God for the mission work that takes place in Uganda. This month, Martin Sebuggo has been in the Kapchorwa region, 350kms from his home in Kampala, on the road to Kenya. He has been at Trinity Bible Institute in a particularly hilly area. We pray for the success of the mission, and the safety of Martin and his team in an area that is prone to car accidents due to the hills.

We have also been asked to pray for Julius Bigirwenkya's wife Gloria who has been having problems with her health. Recent treatment has not been successful and so we ask for your prayers for her healing, and for protection over Julius' family at this time of need.

As a Trust, we have had to postpone our yearly trip to Uganda for another year due to the Coronavirus. We ask you to pray that our work may be conducted well at a distance, and that we will continue to work in brotherhood with our Ugandan friends, despite the distance. Please pray for the work of the Trust and for our Trustees, that they are guided in the right way to approach choices that are affected by Coronavirus and for good health and blessing

Title: Jesus is the Centre

Scripture: Colossians 2: 6-15

Today we look at Paul's opposition to finding salvation, or point scoring with God, by the works we do or the religious rituals we follow. Instead, he insisted that Jesus must be the centre of all we do. Why do we sometimes find that hard?
