Covid 19 Safety Measures

The July Church Meeting agreed on the following safety measures to be observed during worship meetings.

25th July Covid 19 safety measures - Whilst we understand that no one can be forced, the Church Meeting would like to ask everyone, for the time being, to continue to comply with the procedure we have grown used to during lockdown. That is: masks are not mandatory, but please wear a mask in order to sing; distanced seating to remain; no Sunday school during the school holidays; no gathering in large groups; no coffee within the chapel, but we encourage people to host after-church coffee in their gardens where possible.

Sunday Message

Speaker: Duncan Tuck

Title: Asking Questions

Scriptures: Matthew 21:23-27

Continuing to look at effective evangelism, we see how Jesus used questions in his conversations. How can we use questions effectively, yet do this with gentleness and respect?

Tearfund is a Christian charity that partners with churches in more than 50 of the world's poorest countries. This month Tearfund is asking for our prayers for:

North-East Nigeria where violence and kidnappings by Boko Haram and other armed groups are putting the safety of the people Tearfund serve and their local staff and partners at risk. **Ask God to keep them and their families safe. Pray for wisdom for leaders as they tackle the violence in the region.**

Almost half of the population in **Zimbabwe** is now in extreme poverty and unable to meet their basic needs. This is partly due to the effects of the coronavirus pandemic but also rising inflation. **Lift up the work Tearfund church partners are doing to help support communities through this crisis.**

Colombia is in the midst of its worst outbreak of violence since the 2016 peace deal that ended decades of armed conflict. Thousands of people have fled their homes. **Pray for people's safety and an end to the violence. Lift up the church in Colombia and pray its leaders can promote peace in their communities.**

Anyone recall Angus Gregson? Derek Davey has recently been in touch with Angus and passes on his regards.

“I am fine thank you. I hope you are all to. Happy to come to Wrington again.

I sometimes get as far as Barleywood with a FareShare delivery, but then head back to the A38. 😊”
