## Sunday Internet Message

**The Rev Duncan Tuck**

Title: **Truth and Love**

Scripture: **2 Corinthians 10: 3-5**

Today we finish looking at useful ways to share the Good News of Jesus. We talk about, how to be gentle, but sure? How do we speak the truth into bad thinking, and yet do this with love? **link to the message**

## MAF Devotions

Sign up to our new monthly prayer devotionals and join us spending time focusing on God and His wonderful works.

### Welcome to our prayer devotionals

Psalms 100 encourages us to 'enter His gates with thanksgiving and His courts with praise', and this is foundational to everything we do at MAF.

Every flight begins with prayer before take-off because God is, and always will be, at the centre of all we do.

As we begin this series of monthly prayer devotionals, it seems fitting to 'enter in' with thanksgiving and praise, to focus on who God is and what He has done – expectant of all He promises to do.

We hope you find the monthly prayer devotionals both inspiring and challenging. It is our prayer that you will increase your knowledge of God's power, His love and His plans for the world we live in.

As we partner together, let's do so expecting God to hear our prayers and answer them and that His power and glory will be known here on earth as they are in heaven.

We hope you will journey with us to see help, hope and healing across the nations. Remember, your prayers go even further than our planes do!

[News](#) [Stories](#) [Flying for Life for 75 years](#) [Places](#) [Aircraft](#) [Needs](#) [Flying for Life magazine](#) [About us](#)

Below is a short extract, in essence, of a two page letter from Ruth Whitaker, the Chief Executive of MAF UK:

“For many decades MAF have been writing to their family of supporters with news of how their prayers & gifts have helped meet the needs of hundreds of thousands of people.

During the past few years alone, the support of **Wrighton URC** has enabled MAF aircraft to bring:

- **WATER** to remote communities in Liberia
- **FOOD** to malnourished children in South Sudan
- **GOSPEL** film shows to the jungles of Papua New Guinea
- **SURGEONS** to burn victims in Bangladesh.

Together we have ensured that:

- **EVANGELISTS** continue to serve tiny island villages in Uganda
- **SIGHT** is restored to cataract patients in Timor-Leste
- **HEALTHCARE** is made available to pregnant women in Tanzania
- **FREEDOM** is offered to victims of domestic abuse in Arnhem Land

Today, the essential physical need is simple and universal: vaccination against coronavirus. The UK has led the way in starting this life-saving programme, most of us have had our first, if not second jab.

**ACROSS THE WORLD, MOST PEOPLE HAVE NOT.** But MAF can help to change that.

**The Last Mile.** Simply put, while millions of vaccines will be sent to cities all over the world, getting them “**the last mile**” to millions of isolated people living far from urban areas will be one of the hardest tasks ever accomplished. This year, as part of the worldwide COVAX inoculation programme, MAF has so far flown vaccines in Kalimantan, Lesotho and Madagascar. Can we help MAF to get vaccines **the last mile?**”
