## Christian Television Association

Dear Friends

Thank you so much for your support and prayers! We praise the Lord “**Sifting the Evidence**” is now available and being distributed around the world.

This two-part documentary series looks at what archaeology tells us about the historical accuracy of the Bible. Filmed on location in Israel, host Dr. Chris Sinkinson visits the site of the original City of David, the Temple Mount, Capernaum - where you can see the remnants of the Apostle Peter's house, and the church of the Holy Sepulchre - the site of Jesus' crucifixion and resurrection, as well as many other locations. Insightful commentary from the host and a team of experts connect these sites with the stories and characters of the Old and New Testaments, explaining why we can rely on the historical accuracy of the scriptures.

## Christian television Association Article continued.....

A website has been set up [www.siftingtheevidence.com](http://www.siftingtheevidence.com) for specific interest. We hope to build on this site to include downloadable bible studies, as well as other information and stories as they become available. The DVD is being distributed in UK by Kingsway/CLC through bookshops and online. Many TV stations around the world are taking the programme for broadcast as well as making it available of a variety of platforms.

In our last news update we asked prayer for three main items: for inspiration and creativity to complete the series, for wisdom and guidance concerning its distribution, for the continued use of recent productions and worldwide distribution. We thank the Lord for answers to all these prayers.

We now feel the time is right, over twenty-one years on, to produce a remake of our most widely used production "**So, who is this Jesus?**". Pre-production is now in hand with a view to filming in Israel in October, circumstances permitting. There is also a need for more short testimony stories, and we hope to produce more as things start to open up.

Thank you for being part of our ministry and we would ask for your continued prayers, as the Lord leads, as we seek His will, purpose and direction in these days.

### For Prayer.

We really value your continued prayers and would ask:

- For continued inspiration and creativity as we seek to produce accompanying bible study resources for "**Sifting the Evidence**"
- That the Lord would use the programmes for His Glory, that lives would be touched, challenged and encouraged at home and abroad.
- 
- For wisdom, protection and guidance as we seek to remake "**So, who is this Jesus?**".
- 
- For the continued use of our recent productions and worldwide distribution.

**Our Thanks to Ian Stacey for bringing this article to our attention.**
