If you would like to take part in this seasonal activity I am out and about delivering boxes in the village. For the children they are sent to this is often the only present they have ever had.

If you would like a box contact me on 07729360144. I can deliver and collect when filled. Complete and returned by 14th Nov.

Good News. Great Joy.

SHOEBOX SEASON IS HERE

Did you know there are two ways to send a shoebox this year?

1. Traditional packing - it's still really easy to delight a child by packing a shoebox yourself in the traditional way and taking it to a reduced handling, socially distant drop-off location near you.

Check out our simple step-by-step guide to packing a shoebox gift yourself and get started today:

2. Shoebox Online - If getting out is tricky this year, you can select your gifts online and we'll pack and send your shoebox for you.

Need a Friend: That's us at URC. Whatever you need, whether its practical help, prayer or just a chat. Contact us, on one of the numbers below.

Tearfund's Harvest Appeal was in response to the failure of the harvest caused by prolonged drought and the climate crisis in Burkina Faso. In response we doubled our normal gift of £90 each month to £180 for October and will seek agreement at the next church meeting to continue this for the months of November and December to help families like Abigael's. She says, "Climate change is the source of all our difficulties. There is no peace. We live in

suffering. 2.9 million people in Burkina Faso are experiencing a food crisis.
