### Answered prayer leads to Gulf Bible ministry

Prasad's life was a mess until the Holy Spirit guided him out of a pit of despair and into the pulpit. He wants to share his amazing testimony with Bible Society supporters and thank them for their kind giving, which enables his crucial ministry in Kuwait.

My name is Prasad. I came from India to Kuwait on a domestic worker's visa, looking for a better life for me and my wife. We were very poor.

My wife became pregnant, but as my sponsor in the big house we lived in had prohibited it, I acquired tablets to induce a miscarriage. We left that sponsor for another job, and after a few months my wife got pregnant again. When we went to the doctor, he discovered a cancerous tumour in her womb, and we lost our second child. She also told us that it was impossible for my wife to conceive again. We lost hope. We became desperate.

I had to work 12 hours a day, seven days a week as a driver, hoping to save money to treat my wife. We shared a flat with another family to save money. This family was a Christian one. They prayed for us. We thanked them but did not understand what it meant. After a few weeks, my wife started going to church with them. I allowed it just to make her happy.

After four months of going to church, I took my wife for a regular check-up. The doctor informed us that the tumour had gone and that my wife was pregnant! It was so incredible that my wife became a Christian because she believed that Jesus did this miracle.
