Dear URC

Why not consider hosting *The Bible Course* in the New Year, with family, friends or your small group, whether on Zoom or in the room, online or in person?

See for yourself what [The Bible Course](#) is like. *The Bible Course* provides a birds-eye view of the whole of the Bible and shows how it all fits together to form one cohesive story. Over eight interactive sessions it highlights key books, famous characters and amazing events.

The course guide gives you everything you need to run the course including notes, quotes and questions. You can choose to buy the films as a DVD, digital download or via our new streaming platform – which is designed specifically for running the course on platforms like Zoom and Skype.

The Bible Course is ideal for seasoned Bible readers or those who are brand new to the Bible. Let's start 2022 exploring the big story of the Bible!
