What children say ☺

Our great grandson, William, found his father's Children's Bible. The bible Derek had given him when he was small. William eagerly wanted to read it, but at 7 years old he wasn't quite ready, so Daddy and Mummy took turns reading to him!

He was at Grannie Rachel's one day and she asked him, What book are you reading now? William replied I've finished the Bible grannie and I loved it.

Blessings to you all. Wendy
