#### Romans 1:11 News and Prayers

Frank Kyeyune – Please pray for his health so he can travel again. This is essential for his and his wife Zam's ministry. Frank's home was damaged by earthquakes, the ground has been cleared ready for re-building. Please pray the building work will commence and the new structure will be strong enough to withstand future tremors.

Jon, Chris and Rachael plan to visit Uganda, please pray all obstacles to this visit will be removed and it will go ahead as planned.

Pray for Uganda – There is a large amount of Fake News circulating in Uganda, particularly on WhatsApp, which appears to come from reputable sources, such as the BBC. This is leading people to believe serious untruths, about politics in both the U.K. and globally, especially regarding political relations with Uganda.

Please pray that these messages are halted and that those who have received them are able to see/ identify the Lies.
