**UKRAINE 7.5 MILLION**

**CHILDREN HAVE BEEN DEEPLY IMPACTED BY THE CONFLICT**

**Last Weekend Marcus, Matt and Ade participated in the Brutal Midnight Marathon Run, on the Brecon Beacons and raised money towards the work of UNICEF in the Ukraine. The Chapel donated money to UNICEF. What will your money be used for?**

Millions of children and families are in immediate danger as war continues to escalate in Ukraine.

**7.5 million children have been deeply affected by the ongoing conflict. Homes, schools, water supplies and hospitals have been damaged or destroyed. Children have been separated from their families, and hundreds of thousands of people have been left without clean water, food or electricity. Explosives are a daily threat to children's lives**

We are working around the clock in Ukraine and at the borders of neighbouring countries, providing access to clean water, health care services and other critical support. **PTO**

## How we are helping children in Ukraine

We have been working tirelessly to keep children safe since this conflict began eight years ago and are determined to remain in Ukraine to reach the most vulnerable children and families.

We are working closely with our UN partners in Poland, Moldova, Belarus, Romania, Slovakia, Hungary and Czech Republic, to help provide humanitarian support for children and families fleeing the war.

- We are working to provide **access to clean water for over 3.5 million people** in affected areas.
- Together with our partners, we are hoping to provide over **3 million women and children with access to primary healthcare**.
- We have provided **over 260,000 children with educational supplies** to keep them learning.
- Working with local governments and the UNHCR, we have created **25 Blue Dot safe spaces** for children and women. Blue dot shelters provide a safe space for families seeking refuge as well as providing water and sanitation supplies.
- We have partnered with Warsaw and Krakow municipalities as we aim to support **800,000 children from Ukraine to access education and learning**
