Message from Tearfund

Right now, a disaster of nightmarish scale is unfolding in Pakistan.

Some of the heaviest rains that have ever been seen in the region have left a third of the country under water. More than a thousand people have been killed, and around a million homes damaged or destroyed.

People have seen their whole way of life washed away. **There is an urgent need for food, safe drinking water and shelter. Our local partners – including the church in Pakistan – are responding right now.**

Along with other members of the Disasters Emergency Committee, Tearfund has launched an urgent appeal.

The need is vast – but your support will make a difference. **Your donation will directly help the most vulnerable by helping provide for their immediate needs.**

Together, as the church, we can bring the love of Christ in practical ways to people suffering because of these floods. Any amount you can give will be a lifeline.

Thank you for your support. And please join us in prayer for the people of Pakistan – you can find [a guide to praying for the situation here](#).
